

Erratum

**Reflection and transmission of optical narrow-extent pulses
by axially excited chiral sculptured thin films**

J.B. Geddes III and A. Lakhtakia

CATMAS – Computational and Theoretical Materials Sciences Group, Department of Engineering Science and Mechanics,
212 Earth-Engineering Sciences Building, Pennsylvania State University, University Park, PA 16802-6812, USA

Eur. Phys. J. AP **13**, 3–14 (2001)

The same typographical error crept in the last term on the right sides of equations (19), (21) and (23) referred of the paper above. Please replace -1 by $-\delta(t)$. All other equations as well as our results are not affected. We regret any inconvenience caused by this error.
